Monitor system

3KW Configuration List

Model	Model No	Specification	Quantity
Solar panel	MBM-260	260Wp	12 pcs
Inverter	Growatt3000-S/SG3KTL-S	3KW	1 set
Monitor system	Solarman LIG-1		1 set
Mounting structure	G550/Q235	Light steel/C steel	1 set
Cable	2Pfg1169PV-1F	1*4	24m
AC Cable	ZR-YJV-0.6/1	2*6	5m
The grounding cable	Standard PE wire	1*6	5.4m
Accessory bag	3KW accessory bag		1 set
User's manual			

5KW Configuration List

Model	Model No	Specification	Quantity
Solar panel	MBM-260	260Wp	20pcs
Inverter	Growatt5000MTL-S/SG5KTL-D	5KW	1set
Monitor system	Solarman LIG-1		1set
Mounting structure	G550/Q235	Light steel/C steel	1set
Cable	2Pfg1169PV-1F	1*4	50m
AC Cable	ZR-YJV-0.6/1	2*6	10m
The grounding cable	Standard PE wire	1*6	7m
Accessory bag	5KW accessory bag		1set
User's manual			

Monitor system

Monitor system operation condition on App in real time.

PV Holder

G550 light steel and hot galvanizing C steel, modularized installation, easy to set up with longer life.

Standard accessory package

Carefully consideration, including all the necessary parts, there is no need to buy exact parts any more.
